Experience

MARKETING & EVENTS MANAGER, Student Conservation Association
New York, New York ~ May 2016 – present

- Oversee and grow a national service program engaging 6000+ volunteers annually and generating \$700,000+ in corporate sponsorship revenue.
- Plan and execute 40-50 corporate and community engagement events annually nationwide with a focus on connecting urban youth to the outdoors, engaging up to 800 participants and 50 team leaders per event.
- Work closely with CSR teams at corporations including American Express, Southwest Airlines, and Johnson & Johnson to elevate sponsor brands while maximizing environmental and social impacts to achieve a Triple Bottom Line.
- Lead staff project teams within a matrix structure to design and deliver innovative community engagement initiatives, cause marketing campaigns, “pop-up” service opportunities, and compelling impact stories.

NYC OUTREACH COORDINATOR, Student Conservation Association
New York, New York ~ September 2013 – April 2016

- Designed and piloted the successful ConSERVE NYC initiative to mobilize community support following Hurricane Sandy, engaging over 1,100 urban youth volunteers in hands-on conservation service in the first year. Scaled the model over 3 years to engage 5000+ volunteers annually nationwide.

ENVIRONMENTAL EDUCATION CONSULTANT, Horticultural Society of New York
New York, New York ~ January 2012 – August 2013

- Designed and piloted 10-week “Green Teen” curriculum for school learning gardens and collaborated with NYU to develop robust program assessments.
- Planned and facilitated the Greening Western Queens Summer Institute in partnership with Global Kids, through which 30 high school students visited green infrastructure sites across NYC to research and create original green roof designs for their schools.

GREENING PROGRAM ASSISTANT, Phipps Community Development Corporation
Bronx, New York ~ January 2011 – December 2011

- Oversaw community garden sites and expanded public programs to include cooking demos, canoe-in fundraisers, and corporate employee service days. Launched after-school science programs at 4 public housing sites in the Bronx.

ENVIRONMENTAL EDUCATION ASSISTANT (SCA AmeriCorps Member), New York State Department of Environmental Conservation
Queens, New York ~ July 2009 – December 2010

- Coordinated after-school programs across 20 NYC schools and community centers. Created and piloted Energy Stewardship curriculum and facilitated professional development trainings to introduce educators to green curricula.
